Empathy Map

Says	Thinks	Does	Feels
I need simple explanations.	How can I finish on time?	Searches online and makes notes.	Stressed before exams.
I want quick practice.	Which topics matter most?	Creates study plans.	Confused by scattered resources.
I want to track progress.	Am I ready?	Practices questions.	More confident after practice.

Pains & Gains

Pains	Gains
Scattered materials; difficult topics; poor time management; exam pressure.	Simple explanations; personalized plans; summaries; quizzes; progress tracking.
