

Proposed Solution

Date	22/09/2026
Team ID	
Project Name	Study Buddy
Maximum Marks	2 Marks

Solution Details

Parameter	Study Buddy Description
Problem	Students struggle with difficult concepts, scattered resources, planning and revision.
Solution	AI-based study assistant combining explanations, planning, summaries, quizzes and progress tracking.
Uniqueness	Personalized study support in one workflow.
Impact	Makes learning more organized and accessible.
Business Model	Optional freemium model with advanced features.
Scalability	Modular services can scale independently.
